

## Workshops & Seminars

*to bring about positive and sustainable change in the lives of people and communities*

### WORKSHOPS

#### Introduction to Tools of Engagement 1 & 2

These workshops will introduce a selection of tools designed to engage people, identify and encourage collaboration toward common interest and commit to action toward their future vision. Participants will have an opportunity to experience these tools in action within the learning environment. Each workshop will have a unique focus and may be attended separately.

*Monday 26 April & Tuesday 27 April 2010*

*Monday 24 May & Tuesday 25 May 2010*

#### Introduction to Understanding Individual Differences

This workshop will raise awareness of some of the differences in the ways people understand and interact with the world around us, and provide an opportunity for participants to identify their own personal 'styles' and endeavour to develop an appreciation of others' perspectives.

*Monday 28 June & Tuesday 29 June 2010*

#### Introduction to Effective Communication

This workshop will identify key characteristics of effective communication and raise awareness of challenges to meaningful exchanges. Participants will be introduced to the microskills of active listening and will have opportunities to practice these skills within the learning environment.
